

ACE WGLR CyberSport 2018: The Morning After

Sunday January 14th, 2018

Q: What's a great way to end ACE's No Coaster Con weekend?

A: With great games of CyberSport!

What is CyberSport?

CyberSport is a combination of lacrosse, basketball and hockey on custom-designed Cyber Cars. (see above picture) Two teams of up to five players each pass around a soft ball using one-handed scoops. Goals are scored by driving or passing the ball towards the opposing team's goal and shooting the ball through one of three goal targets.
