Six Flags Fiesta Texas welcomes ACEers back for Fiesta Fest 2018. This event is sure to please everyone with awesome ERT, great food, great shows and probably a few surprises as well! Admission and parking is included with your event fee. Due to the low cost of this event there are no discounts for having a season pass or membership. For this event you may also register online for no additional fee.

New for 2018 is Wonder Woman Golden Lasso Coaster! With a 90-degree drop, this cutting-edge marvel also features a first-of-its-kind single I-beam rail with riders seated single file and their legs positioned on either side of the monorail track. This pioneering new design gives riders an open-air, unobstructed view as they twist and turn above the stunning 100-foot quarry walls. Attendees will receive first rides of the day on Saturday on this great new attraction!

All attendees (including non-members) are expected to follow the ACE Code of Conduct which can be found at www.aceonline.org/conduct/ ACE members will be held responsible for the actions of any of their guests
