MAZES:

The Depths (New for 2018): A heavy fog drapes over an abandoned port village where ancient creatures lurk inside the pitch-black underground caves hidden below the seaside shores. The Nightwatch Mining Crew has mysteriously disappeared and village rumors point to the eerie tunnels the town sits upon. Myths of the terrifying horrors that lurk within the cave have often been whispered but never confirmed. Did the crew meet their demise at the hand of vicious creatures that live within the cave? Journey into the ominous caverns and follow the crew's path into The Depths, discover if the superstition revolving around the cave is true or not. But be warned all who have entered have never resurfaced.

Dark Entities (New for 2018): Teleport beyond earth and into a realm where the darkness is absolute. In the depths of space, a lone station faces terror beyond all imagination. An extraterrestrial mutation has invaded the station, and it's on the prowl for new hosts. The unearthly inhabitants' force increases as it feeds on its unwilling victims. Escape the dark entities before its deathly force eliminates all living form aboard the station. There's nowhere to escape when time is running out!

Dark Ride: Journey through an abandoned carnival ride where cruel carnies still linger in the shadows in Dark Ride: Castle of Chaos. The carnival has become a refuge for freaks and carnies. Now those shunned performers have created a dark world of terror which they plan to unleash on those who enter. Dark Ride will lead brave visitors through a treacherous path and into the bowels of a long-neglected attraction, as sinister shadows and horrifying scenes cast the gloom over the once pleasant ride. It's everyone's worst nightmare, being helplessly trapped inside an abandoned carnival ride without a way out.

Pumpkin Eater: Survive the wrath of the murderous 7-foot tall creature that haunts the old woods surrounding The Hollow in the Pumpkin Eater maze. The notorious creature is on the prowl hidden within the dark confines of the haunted town he once terrorized. To escape the sinister Pumpkin Eater's wrath, all that enter must go on a quest through the silent town of victims, face a cave of crawling insects and solve the labyrinth of thorns that blocks the way out.

Trick-or-Treat: Lights Out: Scared of the dark? Returning darker and more twisted than ever step inside the Green Witch's home by venturing through the blacked out building in Trick or Treat: Lights Out. Armed with only a faulty flashlight, face the terror of the Green Witch's house entirely in the dark. Featuring new state-of-the-art effects, unexpected scares and other eerie surprises, Trick-Or-Treat is back to terrorize like never before.

PARANORMAL, INC.: The Haunting of Hayden Hill Paranormal Inc. maze once again reopens its doors to those brave enough to uncover an eerie and supernatural adventure. Guests investigate a haunted hospital where the patients were tortured for decades by deranged doctors and nurses. Demonic spirits of the murdered victims have been detected throughout the mysterious halls, while evil medical staff prowl for new patients to torture. This year, guests will encounter a newly redesigned finale scene that will have everyone screaming out the door in terror.

Red Barn: Take a trip to a blood-soaked barn filled with gore and fear that is home to a murderous farmer, in the Red Barn maze. Legend has it the farmer who owns the barn transformed into a monstrous creature that sends his sadistic sons to procure food and new wives for him to ensure his legacy. None dare enter the barn, for those who wander in never escape.

Special Ops: Infected: Enlist to fight the zombie apocalypse in an all-out war against the undead in the interactive experience, Special Ops: Infected. Armed with specially designed laser guns, brave groups of guests embark on a mission of navigating through the city in a quest to find the infection cure. The highly sought-after attraction includes more bloodthirsty zombies than ever before, new heart-stopping challenging missions along with many action-packed surprises hidden at every corner.

Shadow Lands: A fulfilling life ensures a soul safe passage into eternity but what happens to the souls of soldiers slain in battle? Enter the hair-raising **Shadow Lands** maze and fight off demon samurais whose souls are cursed to rot within the depths of purgatory. Guests will embark on a quest through a sacred shrine, an ancient Japanese temple and into the midst of the shadow lands.

SCARE ZONES:

Forsaken Lake (New for 2018): This year, a new and unearthly scare zone is making its sinister arrival to the park. For the first time the lake underneath *Silver Bullet* recedes to reveal the horrors and creatures it's kept hidden, until now. Forsaken Lake will unleash gothic creatures, which have been ravaged by the dark and murky waters, as they wander from their crypts preying on unsuspecting visitors, looking for victims to drag back to their watery graves.

Ghost Town Streets: The original and largest, most terrifying scare zone that started it all. Bands of half-human, half-animal monsters prowl the streets and inhabit the fog, and beware the notoriously startling sliders, who lunge from fog-filled corners of the land.

CarnEVIL: On the Boardwalk, clowns crave your undying attention.

The Hollow: **The Hollow** scare zone will terrorize guests as the Witches of the Hollow along with their armies of creatures have risen once again to battle with the Witch Hunter.

SHOWS:

HACKS - Cutting Room Floor (New for 2018): The unique, twisted, improvised comedy antics of "Hacks" returns to Knott's Scary Farm with a brand new show in the Charles M. Schulz Theatre. This time around, they have taken over a run-down movie theater and with the help of the audience and lots of "B" horror films, they create on the spot, a Halloween show that will have you screaming with laughter.

CONJURE - Magic and Mirth in the Bird Cage Theatre (New for 2018): Join award-winning magicians and Fox's Masters of Illusion regulars as they take the stage to amaze and amuse. Witness magicians Dana Daniels, Taylor Hughes, and Chipper Lowell front and center as they perform on select nights.

AWAKEN THE DEAD (New for 2018): A new non-stop dance party has taken over Fiesta Village with **AWAKEN THE DEAD**, where guests can jam to the most popular songs.

The Hanging: The Citizens of Calico face their toughest foes yet, the censors, in this live stage show that looks back at the year's pop culture with some killer comedy. Notorious for its special effects and high-flying stunts, **The Hanging** is a no holds barred assault on pop culture's most infamous moments of the past year.

Halloween Theme:

Timber Mountain Log Ride: This Halloween season again, the **Timber Mountain Log Ride** receives a spooky family friendly overlay and becomes the Halloween Hootenanny.
